## **Public is Invited to Flight 93 National Memorial Meeting**

Somerset, PA -- A joint meeting of the Flight 93 Memorial Task Force and the Flight 93 Federal Advisory Commission will be held on Saturday February 2, 2008 from 10:00 AM to 1:00 PM. The meetings are open to the public, and will be held at the Somerset County Courthouse, Courtroom #1, 111 East Union Street, Somerset Pennsylvania.

The meeting will include informational reports on the temporary memorial, communications, archives, interpretive planning, land acquisition, memorial design, fundraising, and National Park Service activities.

Congress authorized the establishment of a federal commission to assist the Department of the Interior and the National Park Service with the formulation of plans for a permanent memorial to honor the passengers and crew of Flight 93. The Flight 93 Memorial Task Force is a grass roots organization comprised of family members, community residents, first responders, educators, and other local, regional and national participants. Members of both the Commission and the Task Force, along with the other project partners – the Families of Flight 93, the National Park Service, and the National Park Foundation - play an instrumental role in helping to create the permanent memorial.
